BOWLERS ASSOCIATION  
PRESIDENT

MBRC Division 7 councillor Denise Sims came to Kallangur Memorial Bowls Club to give the Brisbane Northside Arm Bowlers Association Inc grant money for their new bowling arms.

The grant was for \$1000 which assisted in purchasing four bowling arms for use in the local community.

It is only with this sort of

assistance that Brisbane Northside Arm Bowls Association (BNABA) can hope to assist local community members getting involved in the sport.

In many cases, the use of an arm is a cost prohibitive scenario as the average ranges in cost from \$220-\$330 each and many community members on pensions etc are simply unable to find this sort of money.

We are pleased to say that

Cr Sims and the MBRC grant of \$1000 will go a long way toward getting members of our local community into arm bowls.

We are always happy to have new members come on board and we play a monthly tournament across the various clubs on the northside of Brisbane.

BNABA is based at Kallangur Memorial Bowls Club.

Our members are of all standards, so if you want to get involved in arm bowls please contact us on 0408

766 992 or [brisbanenorthsidearmbowls@gmail.com](mailto:brisbanenorthsidearmbowls@gmail.com). We would like to thank MBRC and in particular Cr Sims for her generous support and we look forward to working further with Cr Sims and MBRC in the future to build a great association for our local community members to get involved in the sport.

BNABA, which covers the Northside of the Brisbane River to the Glasshouse Mountains Club and Bribie Island in the North, was unofficially formed in Novem-

ber 2018 and was made official in April 2019 and has now become an Association Inc.

We have already more than 35 financial members and 60 casual arm bowlers.

Our fee is \$20 per annum per player and we are open to players from anywhere to compete in our organised competitions.

There are more than 40 bowls clubs on the northside of Brisbane and most of these are interested in participating in our tournaments in the future.

## Crucial win over rivals

### HOCKEY

PINE Rivers St Andrews scored an impressive win over Brisbane Hockey League finals aspirant Bulimba on Saturday.

After scores were tied 1-1 at halftime through a Zac Day goal the Saints stormed home to win 6-2 at Mary Nairn Field.

Liam de Young finished with two goals while Josh Mynott, Luke Reddix and Zac Profke also got on the score sheet.

## Squad spot up for grabs

### FOOTBALL

GEORGIA Beaumont, a Genesis Christian College student from Warner, is in the Junior Matildas' squad on a three-match tour of the Pacific ahead of the OFC Under 19 Women's Championships in Thailand next month.

Beaumont, who was with Moreton Bay United but now plays for Brisbane Roar, will be looking to cement her place in the squad for the trip to Thailand.

## Slimmon out on top

KALLANGUR MEMORIAL BOWLS CLUB

THE Kallangur Memorial Bowls Club Championships is coming to a close with some great stories still to be played.

The Men's Novice Singles Final was a rematch of last year's semi-final between Scott Slimmin and Kevin Roy. Slimmin (pictured) came out the victor.

In the Men's Veteran Singles, Ray Elford defeated Jurgen Mulhaus in the second semi-final and will now play Keith Ziebell in the final.

The Men's Triples semi-finals have been played and the final will also be played in the next few weeks. Other club competitions coming up are the Ladies Novice Singles and Ladies Veterans Pairs on August 29.

The first round of the Men's B Grade Singles starts on the second week in August, the Mixed Fours in September and Mixed Pairs in October.

There is still plenty of friendly rivalry going on at the Kallangur Bowls Club.
